**ABOUT OUR CHAPTER**

The Lone Star Virtual Association of Health Underwriters is a virtual chapter for TAHU members who, due to geography, are not served by a local chapter. Just like other TAHU chapters, we host monthly membership meetings; we just do them remotely.

While membership is reserved for TAHU members in specific geographic areas, our online meetings, which usually offer continuing education credit, are open to all TAHU members and even agents who have not yet joined the association. Visit our Events Page to view our meeting schedule.

The San Antonio Association of Health Underwriters (SAAHU) belongs to a large network of NAHU chapters across the nation. We consult lawmakers on key healthcare legislation and regulations, and advocate for the healthcare consumer. Our growing membership consist of dedicated independent insurance agents, brokers, consultants and employee benefit professionals. We focus on professional development and education, and network and collaborate as benefit professionals. Come check us out.
