

## Mr. Rick Ott - TAHU's 2022 Hollis Roberson Award Winner

Find out more in the Fall issue of the  
TAHU Magazine

The Agency Dues Model, NAHU's program for dues payments for multiple members from one agency, is an easy and effective way for your agency to manage individual NAHU memberships and maximize the benefits available to you. It features:

- deeply discounted fixed monthly rates for the agency to pay. Rates are based on the number of eligible agency members (EAMs) and there are eight size categories.
- a streamlined billing process— one invoice, one renewal date, one payment
- company ownership of the membership slots—if a person on the membership billing leaves your employment, you select the new member replacement.
- unlimited access to members-only information on NAHU website
- full access to the NAHU Compliance Corner for members on list-bill, including monthly webinars

This type of membership is available to agencies that enroll 100% of EAMs—defined as producers in your agency who sell employee benefits, individual health insurance, Medicare or other health-related products, as well as account managers and compliance professionals who are on staff and work with clients. (It would not include a person whose job was strictly life insurance or someone who was strictly P&C.)

Log into NAHU website to complete the Agency Dues Model 2022 Eligibility Form. Complete the NAHU ADM 2022 Enrollment Form found [here](#). It includes agency information, number of eligible agency members (to verify eligibility) and agency contact information.

To get more information, [watch this video](#) or download the [Agency Dues Model 2022 Marketing Brochure](#).

If you are a chapter leader and want more detailed information on how the ADM 2022 works, check out the [Agency Dues Model 2022 for Chapter Leaders](#).
