Who Doesn't Want to Take Advantage of a Scholarship?

TAHU Honorees Corporation, a 501c3 organization, salutes a unique individual from our Association who excelled in the area of communication, from both the podium and the printed page. Ken Martin is remembered because of his years of service as "Da' Editor" of the TAHU News, the "Voice of TAHU" as our Emcee at TAHU functions, and because of his unwavering attitude of excellence, seasoned with just a pinch of wit and humor. Many remember that when we would all be suffering through a TAHU Board Meeting because of a particular arduous topic, Ken's voice would thunder, "BORING", which would invoke instant laughter and help us all to reset our focus on the priorities of the day.

The Ken Martin Scholarship for Excellence in Communication, awarded to students majoring in communication, journalism, or related fields, was established in his honor and memory after his untimely death on October 10, 2001. Because Ken's byline was "Houston's Insurance Guy with an ATTITUDE!!," let's all mimic his attitude of giving and service by contributing to this great cause.

We are currently taking applications through June 30, 2020 for the upcoming academic year. Email admin@tahu.org for more information and to request an application.
